- The development of this toolkit was funded by the Office of Planning, Research and Evaluation (OPRE) at the Administration for Children and Families (ACF) under Contract Number HHSP23320095644WC. ACF is a division of the U.S. Department of Health and Human Services. In 2011, OPRE funded the Tribal Home Visiting Evaluation Institute (TEI) to provide guidance, leadership, and support to promote excellence in community-based research and evaluation of the initiatives that serve American Indian/Alaska Native (AIAN) children and families through the Tribal Maternal, Infant, and Early Childhood Home Visiting (Tribal MIECHV) Program. The views expressed in this publication do not necessarily reflect the views or policies of the Office of Planning, Research and Evaluation, Administration for Children and Families, or U.S. Department of Health and Human Services.
- This toolkit was developed in response to needs and questions related to data collection that emerged through TEI's work with Tribal MIECHV grantees. TEI members from two institutions collaborated to create this toolkit: **James Bell Associates, Inc. (JBA)**, and **Johns Hopkins Center for American Indian Health**.
